

EARTHWAY

1001-B Precision Garden Seeder

■ Row Planter w/ 7 Seed Plates

Plant straight rows with accuracy. This garden seeder takes the guesswork out of planting any row crop. The **EarthWay garden seeder** delivers accurate seed spacing, seed depth control, and soil to seed contact. Retire your hoe, tape measure, and rake with an all-in-one tool. Our garden seeder opens the ground, places the seed, and covers the seed.

Control seed depth and seed spacing for various seed types.

Control seed depth with adjustable ground opener.

Row markers allow for precision placing and planting.
